Career Statement

- I am a goal-oriented and results driven individual. Having worked with small business clients over the last three and a half years within the International Bank of Chicago, I have extensive experience in providing both personal and business lending/transactional solutions to clients.
- Having worked in domestic and international bpo over the last few years and delivered a consistently strong performance and results, I am now seeking my next challenge. I am looking to pursue a career in recruitment. I have successfully completed my Bachelor's Degree in HR and Management, which puts me in a great position to adapt and excel within the field.
