Introduction:

I am an avid learner who is looking for opportunities to work in Dubai, UAE, in the finance industry. I see myself as an organized, ambitious, and hardworking fresher who likes to stay busy and constantly strives for improvement. I look forward to being a part of a friendly work environment where everyone can work at their optimal capacity and motivate each other to be their best.

Differentiator/USP: Empathetic

By studying at an International school since the age of eight and then graduating from London, UK, I have been exposed to a lot of diverse cultures throughout my life. I believe that this has helped me develop my people skills immensely. Unlike most, I can relate, connect, and communicate with people from different backgrounds and cultures very well.

Work experience

Group Leader & External Student Consultant Jan 2021 - Apr 2021
Hult Business Challenge (HBC) - Facebook, London, United Kingdom

Participated in a live client challenge with Facebook. Conducted a study & developed a proposal on how they can drive additional value for consumers across the Travel Customer Journey.

- Led the group efficiently which enabled us to complete all tasks at least a week prior to the deadline dates.
- Collaborated with group members to create realistic pro forma financial statements (cash flow and P&L) for our client. These projections made our presentation and suggestions more conclusive and convincing.
- Helped the team to stay on track by being empathetic & acting as a substitute when others were unavailable.

Club President

Aug 2020 - Apr 2021

[Podcast Club, Hult International Business School, London, United Kingdom](#)

“The Hult Podcast” is about entertaining, educating, and opening students’ minds beyond their limitations. The podcast aims to teach & encourage students to go beyond their learnings from courses offered at Hult.

- Developed interviewing skills by conducting research and preparing relevant questions for the guests in order to keep the podcast engaging and impactful.
- Learned about recruiting by building a core team of seven members and conversing with potential candidates.
- Ensured to stay under the budget by purchasing the right equipment and planning revenue generating methods.

Investment Banking Intern

Jun 2020 - Jul 2020

[Bright Network – Internship Experience UK, London, United Kingdom](#)

Gained an investment banking internship experience offered by Bright Network & Internship Experience UK along with industry-leading firms such as Goldman Sachs, HSBC, Macquarie, & J.P. Morgan.

- Made the use of knowledge of company valuation methods from finance courses & external resources in order to consult the client & suggest the most profitable investment decision to undertake (Mergers & Acquisitions – M&A).

External Student Consultant

Oct 2019 - Dec 2019

[Hult Management Consulting Club \(HMCC\), London, United Kingdom](#)

Developed a strategy project for Hult International Business School’s client company, PetLab Co (a subsidiary of Altitude Ads), to help them build an online and offline community for their brand.

- Learned to thrive under pressure and deal with constraints; 1 out of the 4 team members deserted the group during a crucial time, overcoming this hurdle, the team was still the runner-up of the competition.
- Effectively analyzed and budgeted the financial statements of PetLab Co by using the knowledge gained through finance major courses. This aided us to propose a realistic & profitable customer acquisition strategy to the client.
