Haleesha Chittanoor

I would like to expand and apply creative advertising policies that will make an impact.

Assist the brand and drive on-line traffic and sales. To accomplish the best of academic, rational and innovative skills through working in an association that ropes career improvement as well as will improve my administrative skill. For a strong position of telemarketing executive or administrator in a dynamic and progressive organisation, where would I employ my existing skill, while being challenged to raise my skill.
