About me

I'm Ahmed.I've done bachelors in IT and doing Masters in IT From Virtual University. I always make sure to give 100% quality and commitment to my work. I have an ability to perform multiple tasks effectivelyand efficiently. I am a dynamic, enthusiastic, reliable and quick learner. I always strive for quality working, I believe that can only be achieved with a focused attitude and a detail-oriented approach. I have worked in SNGPL and still working in Galaxy Energy.
