✉ ashwinajith@gmail.com

📍 Dubai, United Arab Emirates

☎ +971 55 849 8497

## Profile

Dedicated and experienced Civil engineer with extensive knowledge of Project management & engineering principles, theories, specifications, and standards. Bringing leadership, drive, and over eight years of experience to the table. Proven track record of finishing complex projects under budget and ahead of schedule. Substantial knowledge and experience with environmentally sustainable construction.

## Employment History

Operations Manager, HITECH Transport & Contracting LLC, Dubai

January 2018 — Present

- Carefully managed projects so that milestones were met during agreed time and within budget confines.
- Attended meetings to discuss projects with clients, contractors, asset owners, and stockholders.
- Created detailed plans and frequently monitored progress to assure project goals were met.
- Developed and implemented performance standards and procedural changes to drive productivity and quality.
- Worked with the overall mission of the company in mind and sought to effectively convey and promote the company's true brand.
- Managed and implemented project budget and requirements.
- Used excellent time management and project management skills to successfully oversee and manage projects from conception to completion.

Project Control Engineer, Ghantoot Group, Abu Dhabi

May 2014 — December 2017

- Planned and directed the execution of various projects, keeping economical, administrative, and physical requirements in mind.
- Wrote daily reports for accountability and quality assurance.
- Advised project managers on financial decisions regarding product costs.
- Worked well independently and on a team to solve problems.
- Organized and prioritized work to complete assignments in a timely, efficient manner.
- Worked in collaboration with the senior project manager to define project goals and establish a timeline and plan to achieve them.
- Used strong management skills combined with engineering principles to control safety and health initiatives.
- Managed all processes related to the planning and buying of goods and services.
