EDUCATION

Aug 2016–Dec 2020

Bachelor of Technology
Mechanical Engineering
APJ KTU , THIRUVANANTHAPURAM

WORK EXPERIENCES

NTPC Kudgi. July 2021 – Sept 2021

FREELANCE NDT TECHNICIAN

- Conducted DPT and MPT on thermal power plant turbine section.
- conducted borescope test on boiler tubes and shaft

Adaani Power Limited. April 2021–June 2021

FREELANCE NDT TECHNICIAN

- Worked mainly on UTG machine to check the defects on thermal power plant boiler tubes. Apart from the UTG, worked on borescope machines during the shutdown.

Shabeeb Karingappara

QHSE ENGINEER NEBOSH ASNT LEVEL II

PROFILES

Hello, my name is Shabeeb, I'm expert in HSE, NDT and CFD. Motivated with good industrial exposure in thermal power plants. Dedicated and hardworking with internal drive to deliver

WHY ME?

- Attended three internships during semester vacations
- Attended three workshops each from reputed institutions
- Active student member of ASME since 2020
- Represented GEC Palakkad in ASME E-FEST Asia pacific in 2020 Biomimicry challenge and won second position
- The research paper of our final year project on composite material was published by HBRP publication. It also won project of the year award in mechanical department of GEC Palakkad in 2020
- Took 12 additional online courses from NPTEL, 2 courses from EDx and 3 courses and 3 specializations from Coursera
- Won first position for the project on light pollution conducted by Malappuram Sahodaya
- Achieved NPTEL star badges named NPTEL motivated learner, discipline star, believer and enthusiast.
- volunteered for the Palakkad moto expo 2018
- Final year project- Hybridisation of Basalt/Glass fibre with epoxy matrix composite
