

JOANNE NOTHANDO S KAMBALATA

A focused and motivated Peace and Governance graduate looking forward to playing a vital role in development and adding significant value to your organisation. A hard-working individual, demonstrating drive, enthusiasm, and initiative, with the ability to work well under pressure, consistently delivering quickly and accurately and able to prioritise to ensure deadlines are met whilst managing high standard of analysis and insight. I am accustomed to writing reports and presenting. Always eager to learn and acquire more knowledge. I can work in teams and individually through experience gained working as a Delivery Driver, Sales Consultant Assistant and Researcher. I am willing to relocate. My availability is immediate.
