## CONSULTANT

## ABOUT ME

**Dedicated and experienced Recruitment Consultant with over 10 years of expertise in the Swedish labor market. I have a proven track record of collaborating with the Ministry of Labor and managing European Union projects, demonstrating my ability to navigate complex regulatory environments and implement effective recruitment strategies. My extensive experience encompasses talent acquisition, workforce planning, labor market analysis, and policy development. I am skilled in identifying and addressing skills shortages, developing strategic recruitment policies, and fostering inclusive hiring processes that meet the diverse needs of the labor market.**
