WHO AM I?

As a creative graphic designer, I bring fresh ideas and boundless energy to every project. I've honed my skills in design tools and techniques, from digital to printing, to create visually stunning experiences.

With expertise in graphic design, I understand the basics of design principles and methods, aiming for balance, harmony, and originality in everything I create. Whether crafting sleek interfaces or eye-catching visuals, I pay close attention to detail to ensure each project shines.

As an advertising creative designer, I manage projects from start to finish, utilizing my project management and communication skills to keep things on track. My goal is to evoke emotions and leave a lasting impression with each design I create.

In the world of creative expression, I'm here to bring ideas to life and make an impact with my art. As a graphic designer, I'm not just making design - I'm shaping experiences and sparking imagination with every stroke of my digital pen.

EXPERT IN

With extensive experience in these tools, I create high-quality designs for various digital platforms, including social media, web banners, digital advertisements and printing designs. My expertise ensures visually appealing and effective digital assets that meet clients' needs & objectives.

I have served as a graphic designer for diverse campaigns involving renowned brands such as RAM, VOLVO, TOYOTA, JEEP, and HONDA. My responsibilities included crafting visually compelling designs and graphics across various marketing campaigns, ensuring both consistency and brand integrity. Through these efforts, I significantly contributed to enhancing the visual identity and promotional endeavors of RAM, VOLVO, TOYOTA, JEEP and HONDA.

I have worked as a graphic designer on various campaigns with Ikea (UAE, Oman & Qatar), My role involved creating visually appealing designs and graphics for different marketing campaigns, ensuring consistency and brand integrity. Through my work, I contributed to enhancing the visual identity and promotional efforts of Ikea.

I have extensive experience in retouching photos and performing cutting out tasks for various campaigns. In this example, I performed image cutout and applied transparency to refine the visual presentation, ensuring a seamless integration of elements within the design.
