4 years of Experience in the field of Paramedic,

JOB OBJECTIVE

- To build a long-term career in [Paramedic industry] with opportunities for career growth.
- To enhance my educational and professional skills in a stable and dynamic workplace.
- To solve problems in a creative and effective manner in a challenging position.

CORE COMPETENCIES

- An Active Listener, giving full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate, and not interrupting at inappropriate times.
- A highly competent, motivated and candidate assistant with experience of working as part of a team in a competing environment.
- Ability to present complex information in a clear and concise manner
- Service Orientation actively looks for ways to help people.
- Active Learning, understanding the implications of new information for both current and future problem solving and decision-making.
- Critical Thinking using logic and reasoning to identify the strengths and weaknesses of alternative solutions, conclusions or approaches to problems.
- Learning Strategies -- Selecting and using training/instructional methods and procedures appropriate for the situation when learning or teaching new things.

ORGANISATIONAL EXPERIENCE

Since Jan' 2017 – Up to today

(Nursing Assistant - Clinic Department – Al Ansar Intranational School (sharjah)).

Role:

Ensuring that proper first aid procedures are strictly applied in case of emergencies involving students and/or staff.

Key Responsibilities:

- Setting and documenting a comprehensive health and hygiene program at the school.
- Introducing a personal hygiene program aimed at raising awareness among students about the importance of personal hygiene.
- Developing a systematic, periodic, well-documented, and proactive health inspection program aimed at reducing the chances of the birth or the spread of epidemics among the students and the staff.
- Maintaining up-to-date records of students' health.
- Following up on student health/injury related absences.
- Informing parents about any potential health/injury related incidents regarding their children.
- Preparing the school clinic to deal with mild injuries and moderate illness cases of students and staff
- Standardizing the current work processes and procedures in the school's clinic
