MANAGER ASSISTANT

ABOUT ME

I have a team spirit and great leadership skills in communication and at work I am looking for an opportunity to exploit my skills to work as an employee in your companies and I am persevering and positive which will allow me to achieve goals and produce positive results I want to work for a company in which I develop and achieve its goals at the same time

EXPERIENCE

Work in the Stores 2019 - 2020

WWW. kiabi.ma

Serve customers, deal with suppliers and help our customers solve their disputes concerning a product. You work with them so that you are happy and satisfied with customer service and Also monitor store finances and monitor any excess in the store and notify the store supervisor at all moment Something that might be unusual.

Control Security 2018-2019

www.zonegarde.com

Monitor all illegal abuse and assist visitors and customers and their orientation in the event of a dispute between a client and exhibitors and will satisfy everyone

Deposit control 2017 - 2018

www.zonegarde.com

Make sure all items approved for storage are saved under the item sheet and make sure that they contain all the information relating to the item, including approved suppliers for the supply of this item and the last approved price, as well as the quantity available in relation to the expenditure.

Tailor 2008-2011

sewing workshop

I acquired the skills of sewing private or formal clothes, as well as sewing new products that could be women's or men's clothes, and also gained experience marketing the product and dealing with customers.

free trade 2007-2019

food store /dad's shop:

I gained the skill of communicating with customers and fulfilling their desires to sell food items, as well as gaining marketing skills. I also acquired the skills to find a solution in case there was a commercial stagnation in the shops and to set a plan to always produce profits and reduce the percentage of loss.

EDUCATIO

Bachelor of Physical Sciences 2010 - 2012

Umm Al Rabie High School, MOROCCO

Study of scientific materials and acquire a scientific basis and the formation of a scientific methodology This allows me to complete my learning path through college or join a job

Economics, first year 2012-2013

Université Moulay Ismail. Meknes

The objective of the training is to provide fundamental knowledge in economics and management in order to prepare students to continue their master's studies (economics or management). It prepares for the commercial, administrative and accounting professions of the sectors private and public. The professions of teaching, social and associative action are other possible outlets
