Near Sultan Bin Zayed The First St, Zone  
-1, Abu Dhabi, United Arab Emirates

### Personal Details

Date of Birth : 01/07/1997

Marital Status : Single

Nationality : Indian

Visit Visa Validity : 05/03/2022

Language : English ,Tamil

Passport Number : T7447481

### Skills

Well drilling technology 80%

Oil and Gas Production technology 80%

Well Intervention and Work Over  
Operations 80%

Well testing, Slickline, Completion in  
petroleum 80%

Drilling Optimization in oil and gas 80%

Microsoft office, Microsoft Excel 80%

Good with time management,Team work,80%  
Work under pressure

### OBJECTIVE

An enthusiastic fresher with highly motivated petroleum engineering graduate seeking for an Entry level position to kick start my career in the Oil and Gas industry. Wish work for an organisation which provides me the opportunity to improve my skills and knowledge to grow along the organization objective.

### PROFESSIONAL EXPERIENCE

#### Rig Tech Oil Field Training, Satyamangalam

Exploration and Production

Jan 2019 -

April 2019

Course content with Practical of Oil and Gas Overview,  
Drilling, Slickline, Well Testing, E-line Logging, Rig-Up and  
Rig-Down, Onshore and Offshore Rigs, Oil field Equipment  
and Tools, Health Safety Environment(HSE).

#### Educave

Logging While Drilling and Interpretation (LWD)

Feb 2021 -

March

2021

Course content with Online practical of formation evaluation, well  
logging and logging types.

#### Oil and Natural Gas Corporation, Karaikal

Implant Training

June 2018

- July 2018

Studied the principles of well logging tools and equipment  
and examined their working characteristics under various  
conditions. Trained and assisted during on field well logging  
run and monitored the operation.

### EDUCATION

#### Amet University, Chennai

B.E Petroleum Engineering

2015-2019

First Class

#### The Leaders Matric Hr Sec School

HSLC-12th

2014-2015

76%

#### The Leaders Matric Hr Sec School

SSLC-10th

2012-2013

89%

### PROJECTS

#### Carbon-Dioxied Enhanced Oil Recovery

Improved knowledge in the fundamentals of co2 Enhanced oil recovery.

Identified the hindrance of co2 Enhanced oil recovery.

Demonstrated using model in this project.

### PROFESSIONAL ENHANCEMENT

Certification in Implant Training by Oil and Natural gas corporation.

Certification in Exploration and Production by Rig tech oil field training.

Certification in Logging While Drilling course by Educave.

Certification in Basic Offshore Safety-STCW (2010) awareness course by  
Indus seafarer training academy.

Ceritification in Level 1 Programme Well Control awareness course by  
International well control forum(IWCF)-Level 1
