WORK EXPERIENCE

QA/QC & Trainer   2022 - 2023
Uptechsys Pvt. Ltd. Dhumbarahi, Ktm

As a QA/QC & Trainee at Uptechsys Pvt. Ltd., I have been actively involved in ensuring the quality and compliance of our products and processes. My role encompasses a range of responsibilities, from conducting inspections to collaborating with cross-functional teams to enhance overall product quality. As a

- Quality inspection and testing techniques
- Maintained detailed records of inspection results, test data, and quality documentation.
- Participated in internal training sessions to develop a deep understanding of quality control
- Assisted in training new team members on quality standards and best practices.

IT Support (Volunteer)   2017- 2021
Center for Applied Research & Rural Development (CARRD), Bhaktapur

As a student, I was enthusiast and dedicated towards IT field. So, I have had the privilege of contributing my skills and expertise as a volunteer at various events of college. This role has allowed me to merge my passion for technology in a vibrant and dynamic campus environment. As a IT Support;

- Understood the technical requirements and provided tailored solutions
- Setup and operation of audio-visual equipment
- Offered on-site technical support to attendees and presenters
- Worked closely with cross-functional teams, including event organizers

Cashier & Administrator   2017- 2019
Aastha Kirana Store, Bhaktapur

I worked for 5 hours after college at our Kirana store. Saturday and Sunday are the busiest days of the Week of the store. As a Cashier and Administrator I;

- Processed the POS transaction, for both cash and checks
- Worked with customer services to resolve issues
- Handled cash and card payments

- Digital Skills
- Microsoft Office Package
- Illustrator, Photoshop, Figma
- Good Communication
- Teamwork & Collaboration
- Inventory Management
- Administrative Support

- Operated cash registers during high volume
- Managed the delivery of materials to customers as they ordered

Team Manager & Owner   2016- 2020
Esports Arena Nepal, Online Management

- Formed my own team to compete in different Esports Games and support the gaming community.
- Managed different Esports Teams as Manager & Organized many events as well as Organizer.
