Career Summary:

Experienced Civil Engineer with over 10 years of experience in construction, and project management of various infrastructure projects. Strong experience in Earthwork, Road, Bridge, Landscape and Building construction. Proven ability to lead a team and deliver projects on time and within budget.

Professional Experience:

Total years of Experience: 10 years (From September 2013 to August 2023)

Total Six Projects: (One Airport, One Bridge, One Water Treatment Plant and Three Power Plant projects)

1.	<u>Senior Engineer</u> <u>(February 2020 – August 2023)</u> Aviation Dhaka Consortium (ADC) (Mitsubishi, Samsung C & T and Fujita JV)	Hazrat Shahjalal International Airport, HSIA 3rd Terminal Project (Dhaka, Bangladesh) Duties/Responsibilities: <ul style="list-style-type: none">➤ Planning: Prepared work schedule, resources and daily reports.➤ Earthwork: Performed Excavation and Embankment.➤ Construction: Pile cap, column, drain, utility, building foundation, Slope protection, Weight scale, Washing Bay, demolition work of existing structures, Watchtower, Boundary wall and Airport fencing work done.➤ Demolition: Perform demolition works of various types of existing utility structures.➤ Road Works & Landscape: Subbase, Drainage layer, Apron, Asphalt pavement, Landscaping work done.➤ MOS & BOQ: Prepared Method of statements and Bill of quantities.➤ Prepared Work Inspection Requests (WIR) for the inspection with consultant Engineers.➤ Safety: Assured proper implementation of safety measures on the construction site.
2.	<u>Site Engineer</u> <u>(July 2017 – February 2020)</u> OSJI Joint Venture (Obayashi Corp., Shimizu Corp., JFE Steel Corp. & IHI Corp. JV)	Kanchpur, Meghna, Gumti 2nd Bridges & Rehabilitation of Existing Bridges Project (Daudkandi, Bangladesh) Duties/Responsibilities: <ul style="list-style-type: none">➤ Planning: Update and prepare daily, weekly, and Monthly schedules and daily reports.➤ Team Leader of Cofferdam team (Supervised and successfully completed Sheet pile fabrication, Sheet pile Driving, Sealing Concrete inside a cofferdam, Removal of sheet pile, and Backfilling inside sheet pile).➤ Bridge Construction: Pile cap, Pier column, Pierhead Back wall, Wing wall, Gravity Wall, Slope Protection, Median, Drainage, Guardrail, Fencing and Light Pole work done.➤ Demolition: Perform asphalt demolition works of existing highway roads.➤ Road Works & Landscape: Approach Road Earthwork, LED stud installation, Landscaping and Asphalt work done.➤ Rehabilitation: Existing bridge Pile cap and Pier column rehabilitation work done.➤ MOS, BOQ: Prepared Method of statements and Bill of quantities.➤ Prepared Request for Inspection (RFI) for the inspection with consultant Engineers.➤ Safety: Assured proper implementation of safety measures on the construction site.
3.	<u>Site Engineer</u> <u>(April 2016 - June 2017)</u> Larsen & Toubro (L&T), Ltd, India.	Shikalbaha ±225 MW Combined Cycle Power Plant Project (Chattogram, Bangladesh) Duties/Responsibilities: <ul style="list-style-type: none">➤ RCC Construction: MCC Building, Transformer Foundation, Firewall, GTG foundation, Pipe rack foundation, CMB pit foundation, Boundary wall, Staff dormitory building, Gas booster building, Cooling tower, Guardroom building Roadwork, Main Drainage, Culvert, RCC Curbstone, Light pole foundation work done.➤ Placed Deck slab at 9m and 13m height over STG and constructed RCC slab.➤ MOS, BOQ: Prepared Method of statements and Bill of quantities.➤ Safety: Assured proper implementation of safety measures on the construction site.

4.	<u>Project Engineer</u> <u>(January 2016 – April 2016)</u> Goldenberg & Company, LLC, Russia	Ruppur ± 1200MW Atomic Power plant Project (Pabna, Bangladesh) Duties/Responsibilities: <ul style="list-style-type: none"> ➤ Earthwork: Developed the land by Sand embankment works for the powerplant and Constructed earthworks according to the project plans, Budget and Schedule. ➤ Safety: Assured proper implementation of safety measures on the construction site.
5.	<u>Project Manager</u> <u>(January 2015 – December 2015)</u> China CAMC Engineering Co., Ltd, China	Padma-Jashaldia Water Treatment Plant Project (Dhaka, Bangladesh) Duties/Responsibilities: <ul style="list-style-type: none"> ➤ Construction: Constructed a connecting road from the main road to the water treatment plant project. (Total Length= 2.85km). Removed sludge from the bottom, Earthwork, Brick soling and herringbone bond placing, Water bond macadam placing with compaction, Sub-base, Base course filling, R.C.C pavement, Drain, Culvert, Soil Capping, turfing and fencing work. ➤ Project Planning: Managed project plans, budgets, schedules, and resources for construction as per the contract. ➤ Safety: Assured proper implementation of safety measures on the construction site.
6.	<u>Project Engineer</u> <u>(September 2013 - December 2014)</u> China Chengda Engineering Co., Ltd, China	Bhola ±225 MW Combined Cycle Power Plant Project (Bhola, Bangladesh) Duties/Responsibilities: <ul style="list-style-type: none"> ➤ Construction: Constructed 230Kv substation, Cable trench, RCC Road, Drain including outlet, Transformer foundation including Firewall, GTG Foundation, Relay room building, Air compressor and Gas booster building, Boundary wall, cooling tower, batching plant foundation, RCC Road and cast-in-situ piling works (600mm diameter) etc. ➤ Ensured Implementation of drawing in the field and conducted different tests in the field to maintain quality work while maintaining proper safety rules and regulations. ➤ Safety: Assured proper implementation of safety measures on the construction site.

Educational Qualifications:

DEGREE	SUBJECT	UNIVERSITY/COLLEGE	PASSING YEAR	CGPA
Master of Science	Environmental Sciences & Management	Jahangirnagar University	2023 Appeared	CGPA: 3.53 Out of 4.0
Bachelor of Science	Civil Engineering	Ahsanullah University of Science and Technology	2013	CGPA: 3.179 Out of 4.0

Professional Affiliation: The Institution of Engineers, Bangladesh, Dhaka (MIEB No: M-44196)

Professional Skills:

- Familiar with the relevant civil engineering design of AUTOCAD (Professional), Primavera P6 (Professional), ETABS (Beginner), STADDPro (Beginner), ANSYS (Beginner).
- Computer literate and conversant with MS office suite.

Language Skills:

LANGUAGE	SPEAKING	READING	WRITING
ENGLISH	Excellent	Excellent	Excellent
BENGALI	Excellent	Excellent	Excellent
URDU/HINDI	Excellent	Beginner	Beginner

Professional Achievements:

- Completed **CPR & AED** training in 2023 by Samsung C&T.
- Completed **Workplace Basic Safety** training in 2022 Samsung C&T.
- Awarded **best safety “Site Engineer”** from ADC (HSIA project site) at 2021.
- Awarded **best safety “Site Engineer”** from OSJI-JV (KMG project site) in 2019.
- Completed **CPR (Cardiopulmonary Resuscitation)** training in 2018.
- Awarded **best quality “Project Engineer”** from L&T (Shikalbaha powerplant project site) in 2015.
- Completed STADD Pro course from Engineering staff college at 2013.

RECOMMENDATION LETTER

August 10, 2023

To Whom It May Concern

I am delighted to write this recommendation letter for Ruhul Amin for a civil engineering job at your esteemed organization. I have had the pleasure of working closely with Ruhul Amin from 20th Feb 2020 to 10th August 2023, during which I have witnessed their exceptional skills, dedication, and passion for civil engineering.

Throughout his time at Samsung C&T, Ruhul Amin consistently demonstrated strong technical knowledge in various civil engineering disciplines. They have proven to be a critical thinker, capable of developing innovative solutions to complex engineering challenges. Their ability to analyze and assess project requirements, combined with their attention to detail, ensures that every task is completed to the highest standard.

Moreover, Ruhul Amin exhibits outstanding communication skills, both written and verbal, which enables them to effectively collaborate with colleagues, clients, and stakeholders. They are adept at presenting technical information in a clear and concise manner, making them an invaluable asset in project meetings and discussions.

One of Ruhul Amin's greatest strengths is their strong work ethic and dedication to meeting deadlines. They consistently deliver projects on time and within budget, demonstrating exceptional project management skills. Their natural leadership qualities and ability to motivate team members create a positive and productive work environment.

I have no doubt that Ruhul Amin will be a valuable addition to your civil engineering team, contributing their expertise and unwavering commitment to excellence. I highly recommend them for the civil engineering position at your organization.

If you require any further information or have any questions, please do not hesitate to reach out to me (Email: wando10@samsung.com). Thank you for considering Ruhul Amin for this opportunity.

Sincerely,

CHANGHO CHEON (Louis)
Construction Manager

Letter of recommendation

Engineer Ruhul Amin worked on the project for the construction of NPP «Ruppur» HP in Bangladesh.

Ruhul Amin worked as a Project Engineer for the construction from January 2016 to April 2016.

The duties Ruhul Amin included:

1. Coordination of construction
2. Interaction with customer service
3. Control of execution of construction
4. Quality control
5. Design drawings

In the process, Ruhul Amin confirmed their qualification for the construction engineer. Learn new methods of production work, he participated in workshops with the participation of the Director of the construction NPP «Ruppur» Vlasov PV.

Timely implementation of production tasks. Ruhul Amin different precision, professionalism, discipline, ingenuity.

As special achievements can be noted actions in an irregular situation, in case of breakage of pipeline and stop work where the organization could incur serious losses Ruhul Amin organized uninterrupted work and drove sand reclamation machine with cards.

Ruhul Amin will be useful to your company as an engineer for construction.
We recommend you to the staff member and wish him good luck
