Objective

To make responsibility and challenging career in an organization where I will get a chance to learn new skills and fine tune my skills while contributing to growth of the organization.

Experience

- Rane Madras limited** March 2019 - Nov 2021
PRODUCTION ENGINEER
Manpower handing of around 40 workers in assembly and machine shop.
Schedule programing for workers.
Controlling the production line based on lean manufacturing,six sigma,kaizen,Error proofing.
Worked in quality and quantity oriented production.
Responsibility to control defects in product and to improve product quality & productivity.
Creating and managing of 4M change ,AMC,PFC,PFMEA,PCRNandSOP.
New machine proveout by conducting machine trails.
Review and analysis of Customer Engineering drawings in order to fulfill customer specified requirements.
Knowledge in SAP.
- Rane Madras limited** March 2018 - March 2019
PROCESS ENGINEER TRAINEE
Managing all tool room & Production activities.
Responsible in processing tool to sufficient production line stoppages.
Preparation of jig & fixtures for new sample
Manufacturing using AUTOCADD.
Ensure customer needs are met in a timely and cost effective manner.
New product and New line development.
Hands of experience in setting like Miling,Broaching,turning,grinding,driling,VMC,Induction hardening,conduction hardening and surface finishing machines.
Proto sample development of Rack and pinion new product.
- Rane Madras limited** March 2017 - March 2018
PROCUREMENT ENGINEER TRAINEE
Raw material planing.
Inwarding raw materials based on production plan and demand.
Talking to suppliers regarding quality related issues.
Maintain FIFO techniques.
Maintain lean manufacturing techniques.

Education

- Alagappa University** 2019
M.B.A-HRM
6.5 CGPA
- Sathyabama University** 2016
B.E-Mechanical and Production
6.9 CGPA
- ST. Antonys higher secondary school** 2012
HSC
62%

Projects

- **NPD for MSIL**
Our objective in this project is to build new line for steering gear in order to fulfill the customer requirements.
- **NPD for NEXTEER**
Our objective in this project is to build new line for steering gear in order to fulfill the customer requirements.
- **NPD For RENAULT NISSAN**
Our objective in this project is to build new line for steering gear in order to fulfill the customer requirements.
- **Date code marking interlinking with scanner.**
Date code marking interlinked with scanner on Rack and pinion assembly lines in order to ensure quality and assembly of all gears.
- **P point using encoder**
Setting up p-point with encoder in order to reduce rejection.

Skills

- SAP
- Auto CADD
- Good in Lean manufacturing
- Adaptable and punctual
- Good knowledge in hydraulics and pneumatic systems.
- Very good in Preventive maintenance.
- PFMEA
- Expertise in Kaizen
- Good in Six Sigma and 5S

Achievements & Awards

- Achieved Rajya Puraskar Award for the scout service in the year 2010.
- Achieved best volunteer award for the Social work in the year 2010.
- Participated QCC Competition.

Certification

- **DCA**
Certified in DCA

Personal Details

- **Passport Number–Expiry date**
P0244663--21/08/2026
- **Visa Type/Visa expiry**
Visit visa/25-06-2022
- **Date of birth**
22/02/1995
- **Nationality**
Indian
- **Language**
English,Tamil,Hindi
