

SHOKKALAL P

CAREER OBJECTIVE

To obtain a challenging position where my education, skills and experiences can be highly utilized and later be applicable for growth and possible advancement.

ACADEMIC QUALIFICATION

Course	Institution	Board/University	Year	Percentage of marks
M.E	Kamaraj College of Engineering and Technology, Madurai.	Anna University	2020	Pursuing
B. Tech	Kalasalingam University, Krishnan Kovil.	Anna University	2016	76.15
HSC	Kshtriya vidyasala Higher Secondary School, Virudunagar.	State Board	2012	69
SSLC	Kshtriya vidyasala Higher Secondary School, Virudunagar..	State Board	2010	79.75

AREAS OF INTEREST

- Structural Processing.
- Structural testing.

CONSULTANCY WORKS

- Cement bags.
 - Consultancy work has been done to Cement bags in testing of the strength of the plastic bags using the Dot impact tester.
- Vetrivel construction.
 - Consultancy work has been done in the field of Extraction.

PROJECT WORK

Permanent Address:

S/o Mr. Pandi.C ,
2/398, Middle street,
Sulakkarai,
Virudunaar – 626006.

Mobile:

+91 - 9791715886

E-Mail:

sokkalal@gmail.com

Date of Birth : 6th
June, 1995
Gender
Nationality : Male
Marital Status : Indian
: Single

Languages Known:

Tamil, English.

Hobbies

- Playing games
- Gardening

Knowledge in computer

- **Programming languages**
 - o C, C++
 - o HTML.

Improving the joint strength and Durability of Ternary Cement With Prosopis juliflora ash and Fly ash.

Concrete using this under different curing periods the specimens were characterized for their the partial replacement of cement with Prosopis juliflora ash (PJA) Present the microstructural characteristics of Sem observations, XRD, Thermogravimetric analysis.

IN PLANT TRAINING AND INDUSTRIAL VISITS

Name of the Industries	Manufacturing products	Knowledge learned
Tamilnadu Police Housing Corporation LTD Site work, Madurai (Visited)	Construction	Construction manufacturing by Field process
Vetrivel Construction	Field, site	The field of Extraction.

CO-CURRICULAR ACTIVITIES

- Attended “ONE DAY WORKSOP ON “Recent Trends in Durability of concrete Structures” at 7th February 2015.
- Attended a Workshop on the topic of “Advancements in materials , Construction and Sustainable environment” held on 29th March 2014.
- Attended workshop on the topic of “Recent trends on the Advance Materials” held at Kamaraj College of Engineering and Technology on March 2017.
- Participated in the “Research Issues in Reinforced Materials (RIM15)” catalyzed and Oranized by the Centre for Composite materials, Department of mechanical Engineering, Kalasalingam University (KLU).
- One day Workshop on “Orientation of Civil Engineering Software (OCES 14)” at Kalasalingam university 7nd February 2014.

ACHIEVEMENTS

- Participated and secured Place in the code cracking held at Kalasalinam University.
- Participated in video Presentation organized at kalsalingam university.

EXTRA-CURRICULAR ACTIVITIES

- Organized blood testing camp at Kalasalingam University, Krishnan kovil.
- Attended a National Service Scheme for Attending One Week Camp held at on 2014.
